### MAILING LIST REQUEST

Physician database information is updated daily and contains approximately 3,000 LACMA member physician records and approximately 12,000 non-member physician records. You can order both member information and non-member information; however, we cannot guarantee the accuracy of our non-member information. The database information is the sole property of the Los Angeles County Medical Association and is not for resale or to be used to recreate a new database.

We offer the following option for obtaining data for LACMA mailing lists:

- We will create a PDF file in the label format of your choice for you to print yourself.

**ATTENTION: LACMA database information can be used only one (1) time. Infringement of this purchase agreement, including using LACMA's mailing list more than once, will result in a \$1,000 fine.**

LACMA members receive a member only discount for any requested lists, which may only be used for the member's personal or professional use. The list is not transferable for a nonmember's use. Payment is required before labels are processed and mailed.

#### Steps for Acquiring Your Mailing List or Labels

1. Fax this completed and signed purchase agreement form to LACMA at 213-226-0350.
2. Include a sample copy of your complete mailing piece, along with any envelopes, for approval. Please note that samples will be reviewed by LACMA leaders and staff. Requests for lists are subject to rejection.
3. Include payment information.

Please allow one (1) week for delivery of your list/label request after we've received your completed and signed purchase agreement form. Call Lisa Le at (213) 226-0304 or email her at [lisa@lacmanet.org](mailto:lisa@lacmanet.org) with any questions.
